About SciPlay

SciPlay (NASDAQ: SCPL) is a leading developer and publisher of digital games on mobile and web platforms. We currently offer seven core games, including social casino games *Jackpot Party Casino*, *Gold Fish Casino*, *Hot Shot Casino* and *Quick Hit Slots*, and casual games *MONOPOLY Slots*, *Bingo Showdown* and *88 Fortunes Slots*. Our social casino games typically include slots-style game play and occasionally include table games-style game play, while our casual games blend slots-style or bingo game play with adventure game features. All of our games are offered and played on multiple platforms, including Apple, Google, Facebook and Amazon. In addition to our internally created games, our content library includes recognizable, real-world slot and table games content from Scientific Games Corporation. This content allows players who like playing land-based slot machines to enjoy some of those same titles in our free-to-play games. We have access to Scientific Games Corporation's library of more than 1,500 iconic casino titles, including titles and content from third-party licensed brands such as *JAMES BOND*, *MONOPOLY*, *MICHAEL JACKSON*, *CHEERS* and *THE GODFATHER*.
